

SECURITY CLEARANCE NEWS- SEPTEMBER 2020

September is Insider Threat Awareness Month

New Insider Threat Vigilance Series Video Now Available

On June 22, the Center for Development of Security Excellence, a provider of training and education within the Defense Counterintelligence and Security Agency (DCSA), has partnered with the Office of the Under Secretary of Defense for Intelligence and Security, and the National Insider Threat Task Force to create the Insider Threat Vigilance Video Series.

The Insider Threat Vigilance Video Series aids the workforce in identifying and reporting insider threat indicators. The series also provides an overview of Insider Threat Programs and their multi-disciplinary approach to gathering and reviewing information indicative of an insider threat, referring that data as appropriate, and developing mitigation response options all while protecting the privacy and civil liberties of the workforce.

Each episode in the series is approximately 8-9 minutes long. Enjoy!
